Chicago Harbors Boater Meetings

Are you interested in finding out what’s happening in our harbors? Westrec, Chicago Harbors, and Chicago Park District are holding a number of meetings to discuss issues regarding dock boxes, auxiliaries and other concerns involving Chicago Harbors.

Tip of the Week

Would you like to enjoy food and drink at the Club? Since the galley is closed, you may purchase beverages out of the cooler and/or bring your own food and drink to the Club. For your convenience, there are cleaning supplies in the galley area. Remember to remove all food trash by the end of the evening. We do not want to encourage unwanted pests. Do you have a tip? Send an email with your recommendation.

Tip of the Week
Want to sit outside and enjoy a nice cozy fire? Check out our fire pit on the north side of the Club. It's the perfect way to keep warm while watching the sunset, roasting some marshmallows, or listening to the crackling wood. Remember to extinguish the fire prior to walking away. Do you have a tip? Send an email with your recommendation.

- Have you changed your address, email, telephone, boat, etc.? If so, please email our membership chair or come by the Club to complete a CHANGE OF INFORMATION form at your earliest convenience. Do you have a tip? Respond to this email with your suggestion.

AUTHOR RAQUEL SANTOS
WILLOW SPRINGS, IL — A fire tore through Willowbrook Ballroom in Willow Springs Friday afternoon. JPYC has held many Annual Christmas parties at the Willowbrook Ballroom.

The historic Willowbrook Ballroom was built to replace its predecessor, which was destroyed by fire in 1930. “It’s one of the only ballrooms left in the whole United States,” it was said. “There’s been so many beautiful weddings and so many special occasions there. It’s just very sad.”

Golf Anyone?

Dennis Raske mentioned organizing a few golf outings for those sailors who enjoy the game of golf. Perhaps dates in June, July and August at the South Shore Country Club for nine holes. Who knows it may progress to 18-holes Jackson Park. We will put a sign up sheet on the club board on the stairs of the club.

A Short Summer Cruise?

Dave Dobbs suggested we resume our plans of summer cruising — along the coast of Michigan. We used to cruise every summer as a club, let’s try it again! There will be a sign-up sheet on the board in the club. Also, Kathleen Raske would like to get at least twenty(20) boats to sail over to the Annual Raske Dinner and Race in August. She said she would make arrangements for us to have slips together in Michigan City. Maybe we add a short Michigan cruise BEFORE that? Show your interest by signing up on the board in the club!!
